

### **Kids Fishing Event**

Kids Fishing Events (KFE's) are popular community activities that introduce youth, under age 16, and their families to the joys of fishing and promote a better understanding of the natural environment. KFE's provide an opportunity for youth to fish, often for the first time, where volunteers are available to assist and where the probability of catching a fish is high. The City of Savannah, Parks and Recreation Services and the Georgia Department of Natural Resources will host its tenth Annual Daffin Park KFE on June 14, 2014. Registration begins at 7:00am. For additional information, call 912-727-2112, or 912-351-3841.
